

PHOTO USE POLICY

Our approach to using photographs

March 2021

BACKGROUND

We're keen to share our programmes with you and the wider public, so that we can: (a) show you what's going on at those programmes; and (b) publicise the programmes more widely to help them grow and become bigger and better. One way we do this is by taking and publishing photos. We do so in accordance with this Photo Use Policy.

PHOTO USE APPROVAL

By registering for (and/or participating in) an Infinity programme, you give permission for your and/or image to appear on our website(s) and on social media or networking websites used by us including, without limitation, Facebook, Instagram and Twitter for media and promotional purposes connected with the game of football. For avoidance of doubt, other personal information will not appear unless specifically provided for such purpose.

Your name and/or image may not, however, be used as a "hero" (i.e. standalone) image for any advertising or promotional material without your written consent and, where required by law, the written consent of a parent or guardian.

In reasonable circumstances you may also request that your name and/or image be removed for privacy reasons.

Refer to our Privacy Policy for more information about how we deal with personal information.
